to the new works going on at Kowloon. The ordinance was passed. The Italian Opera, THE STORAGE OF GUNPOWDER A great disappointment was in store for The Governon, on the second reading of this ordinance, mentioned that it repealed portion of the ordinance No. I of 1848, which he found [1240] a medical certificate from Dr. Murray, which restricted only the storage of Chinese gunpowder, a ridiculous distinction, as English was exhibited at the theatre. Madame Bouche gunpowder was by no means to be less dreaded. was prevented from appearing. In place of the On clause 18, the others having been passed "Trovatore," therefore, which had been anwith only verbal alterations, nounced for repetition, a composite programme

The CRIEF-JUSTICE took exception to an offence against the ordinance being called a was arranged, including the second act of the misdemeanor. He thought it was a very strong "Troyators;" the scene from the third in which term to use as applied to a breach of this Astrona is brought in a prisoner; a scene from the little known opera of "Louisa Miller," for Signor Piccioli, who was the beneficiare on this occasion; the tenor air from "Stabat Mater," he did consider it a misdemeaner and the corand the last act of the "Payorita," certainly no insufficient evening's amusement, but not one which calls for much remark afterwards, as all but the two tenor selections were scenes

with which the audience has already been made familiar. The audience was warmly appreciative offences to the officer more peculiarly qualified Another case of piracy and murder has just been brought to light. Yesterday a man mined by the nature of his other functions than anyon lso to take charge of a matter which closely Chow-sam-tuk, a seaman, was brought to the concerned the interests of the Chinese. In committee on Clause 4. The OHIEF-JUSTICE again took objection to the term " miademeanor."

Some conversation took place, and it was attimutely put to the word whether the word THE Company respectfully beg to call the to advocate any increased expenditure on the attacked and murdered Chun-a-yee, master of should remain. It was retained by a majority of The ordinance was then passed with and eargo were valued at \$600, and the charge The Conneil then adjourned to Tuesday, the was preferred by one Wong-hing-chun, a doctor 4th ofJune, at 2.30 p.m. residing in East-street. The case will be

brought before the notice of the sitting magis-Police Intelligence, May 22nd, BEFORE E. W. GOODLAKE, Esq. THE LEGISLATIVE COUNCIL A SAD MISTAKE.

On the 20th inst. two coolies were charged before Mr. Goodlake on enspicion of having stolen a watch and chain, the property of Robert Burns, bar keeper in the British Hotel, the particulars of which appeared in these columns. The circumstances brought out in evidence appeared then so satisfactory that both these Prophies were committed to the Supreme Court for trial. Yesterday, however, a man named John Cole, turned up at the British Hotel with the watch in his possession, and was at once given in charge, but was " too far gone" at the time to be sent before the sitting magistrate; To-day he was brought up, and Burns stated that: at about ten o'clock yesterday morning prisoner came to the British Hotel and asked him Burns) if he had lost anything. He said he had got a watch and chain, and produced the one now in court, the same lost by witness on the light inst, and at once handed it over. Witness

gave him in charge. Prisoner was drunk at the Prisoner said that on the 18th instant: at from their position at the basement of the shape of quartete, &c.; showed his ability to use up hope of seeing the war against crime up hope of seeing the war against crime the hope of seeing the war against crime to the basement of the carried on at some future time by the Government at a smaller cost than now, because it must be acknowledged that an immediate duty pressing upon it is that of providing the carried on the conduct of any individual.

Prisoner said that on the position at the basement of the about ten o'clock on the morning he went believe than now, base been not inaptly described as the door the morning he went believe than now, because into the closet at the British Hotel, and "kitchens of the priss," and in which a good will be long and earnestly regretted. He died picked it up, and went into the bar, where he is talked—that we are to have an exhibition at the basement of the minutes to the pass censure on the conduct of any individual.

There about ten o'clock on the morning he went belongs to the morning he went belongs to the door the conduct of a gentleman, who had left the colony, and he picked it up, and went into the bar, where he is talked—that we are to have an exhibition at the observed as the minutes to the door of the door of the door of the picked it up, and hearing no enquires and that of providing do that an immediate picked it up, and hearing no enquire and admirable actives and that of providing the summer of less Danies du Roscing Club pass censure on the conduct of any individual. morning he heard of two coolies being committer or rather "womanned," by les sommitée de time.
